

Spring Business Assistance Forum & Networking Event

Join the
Union Square Partnership and
Greenwich Village-Chelsea Chamber of Commerce at our
Spring Business Assistance Forum & Networking Event

Energy Efficiency and Greening Your Business

Recognizing the tremendous cost of powering the aging building stock of New York City, the Union Square Partnership is engaged with area businesses and property owners in an ongoing, dynamic effort to improve energy efficiency, save money on electric bills and make the neighborhood greener in the process.

Join us on Monday, March 22nd to learn about free and low-cost energy efficiency programs from Con Ed and NYSERDA that will reduce your business energy costs. USP will announce the launch of our "Go Green to Save Green" energy efficiency grant program, aimed at helping qualifying businesses implement energy efficiency measures. Networking reception sponsored by Whole Foods Market will follow.

Monday, March 22, 2010

5:30 PM to 7:30 PM

Beth Israel – Phillips Ambulatory Care Center
10 Union Square East, 2nd Floor Auditorium

RSVP to 212 460-1200 or info@unionsquarenyc.org
by Friday, March 19th
