HONOREES

Since 2003, GVCCC's Safe City Safe Streets program has built meaningful relationships and strengthened bonds between local law enforcement and the communities they serve. Each year, we honor exceptional officers from the NYPD's 6th, 9th, 10th, 13th, and Midtown South Precincts with the prestigious Officer of the Year award. Since the program's inception, over 130 officers have received this honor in recognition of their exemplary service.

In 2022, the program expanded to also recognize community leaders who have demonstrated outstanding leadership in promoting public safety and improving quality of life in our neighborhoods.

These dedicated officers and community leaders work tirelessly to foster a secure, thriving environment for residents and businesses alike. Join us in celebrating their achievements and recognizing their vital contributions to making our city a safer place for all.
