ABOUT GVCCC

Since 1949, the Greenwich Village Chelsea Chamber of Commerce (GVCCC) has been the community-based advocate for those doing business in Greenwich Village, Chelsea, Soho, Noho, Union Square and Flatiron neighborhoods. Our mission is to provide support for our member businesses through advocacy, education, networking, and promotion. We are the voice for businesses, and a resource that is invested in helping our businesses grow and thrive.

ABOUT SAFE CITY SAFE STREETS

Without a doubt, New York City police officers are an essential part of every New Yorker's life. They commit their time, dedicate their lives, and work tirelessly to assure the safety of our communities. This year, the GVCCC celebrates 20 years of building positive relationships between local precincts, officers and the communities they serve by hosting our 20th Annual Safe City Safe Streets luncheon at the luxurious Manhattan Penthouse on 5th Avenue.

At this year's luncheon, the GVCCC will present "Officer of the Year" awards to selected officers from the 5th, 6th, 9th, 10th, 13th, and Midtown South Precincts. Your generosity and support will go towards making this year's luncheon a truly special event for the officers and their families. We at the GVCCC, along with the officers of these precincts, truly appreciate any contribution you can make to ensure this beloved community event is a success.
